## About Empowerage

Empowerage International LTD is a professional services firm based in Kampala, Uganda. We help organisations across East Africa hire exceptional talent, manage the human side of their business and develop the structures, culture and leadership they need to scale with confidence - for employers and job seekers alike.

## Our Services

### Hire / Recruitment

Executive search, technical and high-volume recruitment with a structured four-stage process from needs assessment to placement.

### Human Resource Management

Practical HR outsourcing, compliance and advisory, performance management and payroll design for the East African context.

### Organisational Development

Culture assessment, change management, organisational design and leadership development grounded in real data.

## Why Organisations Choose Us

- > Quality shortlists only - vetted, screened and referenced before you see a name.
- > Sector specialists across manufacturing, oil & gas, healthcare, banking and NGOs.
- > Transparent, success-based pricing - you only pay when we deliver.
- > Free for candidates - no placement fees, ever.
